**COMMENTS:**

This bill would create the Northern California Cancer Center Research Fund and add it to the personal income tax return as a voluntary contribution fund.

The March 24, 2008, amendments would make non-substantive changes by adding the word "Center" to the name of the fund and expanding the purpose of the contributions. These amendments would not impact the department's programs and operations or state income tax revenue.

The department's analysis of the bill as introduced February 21, 2008, still applies.
